Guests Present: Wendi Zachary

Ms. Rich began the meeting by welcoming everyone and asking if there was any old business to attend to. Noone had any old business so Ms. Rich proceeded to new business and turned the meeting over to Ms. Zachary.

Explained to the Residents that this meeting pertained to the development and discussion of the 2012 Agency Plan and 5-Year Annual Plan. The information presented to them was just in rough draft form and not the final document.

Ms. Zachary presented to the Residents the information that was included in the rough draft of the Capital Fund Program tables and asked the Residents if there was any additional items that they felt should be included in the plan.

The following items were discussed in length and will be considered for the final plan:

1. Discussion of the parking lot was discussed. It was explained that based on the availability of funding the front part of the parking lot would be the primary focus with the drive around the rear of the building being performed if funding allows. Discussion of the parking lot being replaced in sections was acceptable to all residents attending and the issuance of parking permits was also an agreeable option to cut down on the excess overnight traffic. Discussion of suggested parking areas that will be available during the lot replacement was discussed and Ms. Zachary explained to the Residents that as soon as a definite plan was decided upon, they would be informed. It was also explained that the small area where flagpole is located would be removed to add an additional 6 parking spaces.

2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.

The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
